JBP were honoured to be invited by the Malaysia Water Association, to participate in the conference programme at the recent [MIWC2021 Convention](#), alongside so many esteemed experts and colleagues from across the Water sector, and deliver a paper on *Enabling Know-How Exchange and Education to Meet the Demands of the New Norm, in a Digital World*.

Five very informative days of excellent discussions, insight and valuable knowledge sharing and transfer! Congratulations to the organisers MWA and Promtemp. Thanks to all who participated and a particular thanks to [Ir Ts Hj Mohamed Haniffa Hj Abdul Hamid](#) for his initial generous suggestion we participate.
